

# Startups and Clouds

Ivaylo Bratoev

*Co-Founder at Dramler*

# About me

- Building software for more than 10 years.
- DevOps and cloud enthusiast.
- AWS Bulgaria user group organizer.
- Co-Founder at Dramler.

# About Dramler

- A social platform for whiskey enthusiasts.
- Early stage startup - 3 months old.
- Running in the AWS Cloud.
- If you enjoy a good whiskey - sign up for early access at <https://dramler.com>.

# Startup and clouds go well together

- Agility
- Easy of use
- Price
- Security
- Quality
- Competition

# Why AWS

- Dominant market leader - bigger than next 3 competitors combined.
- Most complete platform.
- Team experience.
- We are in a good company.
